

— LET'S BUILD YOUR SITE

10 short questions. Mostly check boxes.

Most answers take a few seconds — check, type, or fill in.
Three questions need a sentence or two. Open this PDF in Preview
(Mac) or Acrobat, fill it out, and email it back.

1 Tagline & headline

Current homepage line: "Freight that moves. Service that delivers."

Keep "Freight that moves. Service that delivers."

Replace with: _____

Any tagline from ChatGPT (or that you say to customers all the time) you want included?

2 Numbers to promote — pick 4

Stat strip on the homepage. Check 4 and write your real number on the right.

States served _____

Years in business _____

Loads per month / per year _____

Trucks or carriers in network _____

On-time delivery % _____

24/7 dispatch _____

Repeat-customer rate _____

Average quote response time _____

Other: _____

3 Services offered

Current: Flatbed, Dry Van, Refrigerated, Heavy Haul, Oversize, Hot Shot / Box Truck.

Add to the list:

Drayage / port

Intermodal (rail)

Cross-border (US ↔ MX/CA)

Final mile

Hazmat

Auto / power-only

Other: _____

Remove from the list (anything you don't actually offer):

4 What we believe

Three cards on the homepage. Currently: Service first · Built on trust · Texas-grown.

Keep those three as-is

Or write your 3 (one short phrase each — what you actually tell customers):

5 Your real story (About page)

A couple sentences on each:

Founded

Why started

Who's behind it

Proud milestone

Anything else

6 Real contact info

For the contact page + footer.

Dispatch phone

Inbound email

Address

Hours

Instagram

Facebook

LinkedIn

Other

7 Where should quote requests go?

Right now the form pretends to send. Pick the real destination(s):

Email to: _____

CC / BCC also to: _____

Text/SMS notification to: _____

Save to Google Sheet

Push into CRM: _____

8 Photography

Currently using stock truck photos. Have your own?

Yes — I'll send photos of our trucks / fleet / team

Use the stock photos for now

Other: _____

9 Anything missing? — optional add-ons

Check what you want me to add. Each adds time but all are valuable.

Carrier portal (drivers / partners access loads)

Shipper portal (customers track shipments)

Industries served (manufacturing, retail, ag, oil & gas, etc.)

Customer testimonials / shipper logos

Service area map

Careers / "Drive for us" page

News / blog

Other: _____

10 What action matters most?

Right now: Request a Quote (primary) and Call Dispatch. Pick what should be the BIG button.

Get quote requests (current default)

Get calls — make "Call Dispatch" the big button

Recruit carriers — add "Become a Carrier"

Recruit drivers — add "Drive for us"

Other: _____
